inclined to have a time to further consider thereof. — but these may, and we hope will yet have to think of our labours with them to ~~prof~~ profit. — Therefore we think it best to decline bringing any names forward at this time, but that the tender care and advice of the Overseers be from time to time extended toward them, and when they may think it seasonable to bring any of them forward, from ~~at~~ time to time from a belief that further labor may ~~not~~ be useful on account of their ripeness of age, and the labor that may have been bestowed, and they not inclining to retract. — that they bring them forward. — which we submit to the consideration of the monthly meeting. — And as to such of them as are removed off, their names and places of Residence, agreeable to the best information we have got, are as follows viz^t, Hannah Wing, Elizabeth Wing, and Jane Wing are at Lexington, in the Kentucky Country. — Hephzibah Davis ^{junr} is at Saratoga. —

From our Monthly Meeting of Friends held at Smith field
for Providence, the 30th of 10 mo 1793.

To the monthly meeting of Friends at Sandwich

Dear Friends,

We have received your Letter of the 14th of 11th Mo 1793, and observe the contents. — We think it best in answer to send to mention more particularly that upon the rec^d of your

former letter upon the same subject, we appointed a Committee to labour with ~~her~~ Abigail Walker, agreeable to your desire, which Committee had several opportunities with her upon the matters complained of, her Husband being invited & present, and after fully considering the matter, she so far gave them satisfaction, as to the matters stated in your letter, that they reported in favour of receiving a Certificate in her behalf, if you thought proper to grant one. —

With which report the meeting united, not doubting but that it would have been easy to you to grant one, upon our so signifying ~~unto~~ unless you had some further light or evidence to communicate to us, respecting the matters complained of, in which case we informed you, 'that we should be ready to further consider thereof'. —

Your last expresses your opinion, that she cannot have a Certificate, and desire us to labour with her for the same matters mentioned in your former letter. — We very well know, dear Friends, that it is with you to grant a Certificate or not, and it was not otherwise, than by your special desire, that we ~~would~~ undertook to labour with her for the matter alleged against her, and if you did not mean to leave the matter of her suitability to receive a Certificate to the judgment of this meeting, we conceive it was not best to request us to so far to take your place, as to deal with her on, on account of the inconvenience which might arise in case of a difference of judgment. —

And especially as the case now stands, it appears very improper for us to deal with her on the same matters concerning which this meeting has expressed to you they were satisfied that she have a Certificate, unless you have some further light to communicate, as stated in our former letter. —

Having thus informed you how the matter stands, we have only to express further our desire that this Correspondence may terminate mutual satisfaction, and if you have any thing more particular to communicate, that you are desirous we might act in before you give ~~advice~~ Abigail a Certificate, we shall be ready to attend to it, —

and

And Dear Friends, we ~~earn~~ entreat that Charity may be sought
after by you and us, in a harmonious disposition, experienced
to have matters accommodated agreeable to the mind of Truth.

We are your friends Brethren & Sisters,
Signed in and on behalf of the monthly meeting.
